## WHY JOIN US FOR OUR SUMMER SESSION?

- Children have a natural aptitude for music that blossoms in a sufficiently rich music environment, the kind that Music Together provides in class and supports at home. Children can learn to sing and dance as naturally as they learn to walk and talk if parents/caregivers model music making—and participating in Music Together classes makes this easy.
- While young children learn through play and experimentation and by watching and listening to the grownups they love, parents and caregivers don't need to have music skills; they just need to be willing to play and have fun with their children!
- Our research-based curriculum not only develops music skills, it nurtures creativity, self-expression and confidence while also supporting social, emotional, cognitive, language and physical development. Research shows that music learning supports all learning.
- Our mixed-age classes enable siblings to participate together, creating an ideal learning environment where infants, toddlers and preschoolers can freely participate at their own levels.
- Music Together song collections have outstanding arrangements that are sophisticated yet easily accessible and are loved by children and grownups alike. The music includes a delightful mix of original songs and traditional folk tunes both from the US and from many other countries around the world in a wide variety of tonalities and meters, providing a rich buffet of 'ear food.'

## SUMMER TUITION INCLUDES THE FOLLOWING

- Eight 45-minute weekly classes at your designated class time and place with engaging activities you can do all week long.
- The professionally produced 'Banjo' song collection that you can access using our free 'Music Together' app and/or via the CDs we'll offer. It includes songs, rhythmic rhymes and tonal and rhythm patterns.
- A beautifully illustrated 'Banjo' songbook/storybook that welcomes you and your child into the music
- 'Music and Your Child: A Guide for Parents and Caregivers,' a booklet-sized crash course in early childhood music development that will help you help your child get the most out of our classes. You'll also receive a growth chart to help you identify and celebrate your child's milestones in music development.
- An opportunity to meet new friends—for both for you and for your child—and to build community.

**QUESTIONS?** Contact Clarice Wilson, Ph.D., Director  
651.439.4219 or [Clarice@MusicTogetherClasses.org](mailto:Clarice@MusicTogetherClasses.org)

**REGISTRATION IS ON A FIRST-COME, FIRST-SERVED BASIS** and classes often fill quickly, so please register early to avoid disappointment. We try to limit each class to 12 registered children and their accompanying adults and up to two infant siblings.

Please note that under-enrolled classes (fewer than six children) may be canceled and we will do our best to find another class time that works for you. If we are not able to find you an alternative class, we will issue a full refund.

**MAKE-UPS.** We offer in-person make-up classes using our online 'Make-Up Scheduler' under 'Enrolled Families'

at [MusicTogetherClasses.org](https://www.musictogetherclasses.org). Or you can do a make-up by participating along with the recording of the week's lesson plan that we send out in each each weekly newsletter.

**TUITION/REGISTRATION FEE** For the eight-week Summer Session, tuition for the first registered child in a family is \$174 and \$96 for each additional sibling eight months or older. Infants under eight months on the first day of the fall session (born after Oct 23, 2024) attend free with a registered sibling. All infants are welcome. If they are not siblings of a paying child, their tuition is \$174, the same as that of the first registered child in a family. There is a one-time-only registration fee of \$15 for families new to our program. This fee is waived for those who register with our Parks and Rec and Community Ed partners. Tuition refunds will be given only if requested at least one week before the start of the fall session, so on or before June 16, 2025. After this date, credit toward future sessions may be issued in special circumstances but refunds will not be given. For classes in locations where Parks and Recreation and/or Community Education departments process registrations and take payments, their respective refund policies apply.
